

January 2021

Dear Members

Subscriptions 2021

The committee reconvened after a winter break to plan our year ahead. We shall again be opening the Information Centre starting on 6th March, but possibly before depending on the weather. These are great opportunities for you to visit and share your thoughts on the Meadows and find out about our programme of activities and events for 2021 which will be published soon on our website and sent out to members.

We need you as members to take part but also to share in the running and be the future of this the established Friends Group supported by LBB: please do continue, rejoin or start with us this year, subscriptions remain at £5 for each household per annum. As a member you receive our newsletter and regular updates of our events and activities. You have a vote at the Annual General Meeting (22nd June 2021). Being a member is about belonging and making a difference and we want to be inclusive, welcoming new and younger people with new ideas to take part and be engaged with us for the Meadows.

Membership: keep us effectively working in partnership with Bexley Parks and Open Spaces Team. Also where necessary to be vocal and active to protect the Natural Environment of Footh Cray Meadows and balance the use of this ever popular open space as a first class outdoor public amenity.

The committee look forward to receiving your subscription and seeing you soon. Please use the form below. With many thanks for your continued support. It is after all about community wellbeing, the local natural environment and ultimately climate change. Together we can make a difference to the nature on our doorstep.

Michael Heath (Chairman)
