

# Bat Experience

**Saturday 24th September 2022**

**Come and find out more about these fascinating creatures by joining the Friends of Foots Cray Meadows, who will be taking us bat spotting and listening for the Common Pipistrelle and Daubenton's bats using detectors which enable us to hear the otherwise inaudible ultrasonic calls of the bats.**

(Bring torches and suitable clothing and be aware that bats may not fly in wet or windy weather!)

**We will be meeting at the  
Five Arches Bridge at 6.30pm**

**Members £1  
Non Members £2  
(Children are free  
but they must be  
with an Adult)**
